REASONS FOR ALLOWANCE

Claims 1-26 are allowable over the prior art.

The following is an examiner's statement of reasons for allowance: Because the prior art fails to disclose, either singly or in combination, an apparatus for securing an optical apparatus at a fixed relative location within a range of motion comprising a first housing member holding the optical apparatus; a first bracket member; apparatus for holding the first housing member and the first bracket member loosely together, while permitting relative motion between the first housing and the first bracket member through a range of motion; a curable fixing element applied between areas of the first housing member and the first bracket member for securing the first housing member and the first bracket member together in a fixed position within the range of movement, the fixing element applied while in a liquid state to permit the relative motion, the fixing element curable to a solid state during a curing process, wherein the first housing member and the first bracket member are fixed in the relative position, this application is considered allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephone B. Allen whose telephone number is 571-272-2434. The examiner can normally be reached on M-F 08:30-5:00PM.
